

**Daniel Csillag, CEO
Graphisoft**

Daniel Csillag was named CEO of Graphisoft in February 2024. An experienced business executive and change leader, Daniel was part of the Nemetschek Group from 2017 to 2022 as CEO of Nevaris and General Manager of Bluebeam (DACH region). During this time, he was also responsible for acquiring 123erfasst, the mobile cloud solution for data collection on construction sites. Before joining Graphisoft, he was Chief Revenue Officer at Thinkproject, a construction and asset management software provider.

Daniel started his career at Transtec and Bechtel, where he led international business activities. His first position as CEO was at Exact Software, a specialist in business software, including the construction sector. After the sale of Exact's German business to Sage, he took on the positions of Vice President of Enterprise Sales and Managing Director of the Payroll and HR divisions. Daniel holds a master's degree in economics from the University of Tübingen in Germany.
