**Graphisoft Community**

Graphisoft Community makes it easy for Archicad, BIMcloud, BIMx, and DDScad users to share solutions and get expert help through a state-of-the-art, user-friendly experience that combines Archicad Talk and Help Center into one easy-to-search resource. The platform offers fast, efficient support and search functions and ensures quick feedback from peer users and Graphisoft experts.

**Graphisoft Learn**

Graphisoft Learn is an innovative, modern, and flexible learning program that helps users get the most out of our products and services through individual courses, learning paths, and learning bundles specific to industry roles and responsibilities. Graduates of our online self-paced, hybrid, and live Learn programs receive globally recognized certification, further strengthening their competitive edge in the AEC industry.
