

Graphisoft Services

Graphisoft Community, Graphisoft Learn

Graphisoft Community

[Graphisoft Community](#) is the central hub where Archicad, BIMcloud, BIMx, and DDScad users connect to solve challenges, share workflows, and exchange know-how with each other. The platform enables peer-driven discussions, real project stories, technical resources, and support in one searchable space, making it faster to learn from fellow users' experiences and get practical solutions from the community and Graphisoft specialists.

Graphisoft Learn

[Graphisoft Learn](#) is an innovative, modern, and flexible learning program that helps users get the most out of Graphisoft's products and services through learning bundles specific to industry roles and responsibilities. Graduates of the online self-paced, hybrid, and live Learn programs receive globally recognized certification, further strengthening their competitive edge in the AEC industry.
